

The Students
of
Clarke Memorial College

proudly present

the
Golden Jubilee

edition of

The Seer

during its

50th Anniversary Year

The Old

and

The New

Our Golden Jubilee

The 1958 SEER Marks the end of a turbulent half century, which saw two world wars, a "conflict" between two strong beliefs, two booms, a recession and marvelous inventions and techniques. For Clarke Memorial College it marks fifty years of struggle, prayer, sacrifice, determination, and, finally-victory.

The SEER also marks the entrance of a new half-century, and the speculation of what it holds in store, causes us to receive it with an attitude of hope and prayer for progress toward peace and prosperity.

The Golden Jubilee edition of the Seer is proudly dedicated to Mr. Therman V. Bryant, who has been our teacher, our counselor and dean, but most important, he has been our friend. In the two years he has served Clarke, he has gained the admiration and respect of the staff, faculty and student body. His unselfish service, friendliness and love for God and mankind has inspired us to set our goals higher.

President's Message

With the 1957-58 Session Clarke Memorial College completes it's first half-century of service in the training of Christian youth. Because of our choice student body, cooperative staff and faculty, and the marvelous spirit of our entire campus family, this will be recorded as one of the finest of these fifty years. My sincere appreciation to all who have had a part in this achievement.

With sincerest appreciation and deepest humility, we stand before our benefactors, instructors, parents and the great multitude of those who have gone before us.

It has been through the most profound perseverance of all those involved, that we take our place in the world, to live according to Christian principles as set forth in His Book.

We strive and pray to God that we shall proudly bear that great, honored and most demanding title of all----Christian!!!
